Dear Sir / Madam

Public Consultation - Proposed Upgrade of Pedestrian Refuge to Marked Pedestrian Crossing and Relocation of Bus Stop - Arcadia Road, Galston

Council is writing to you about a proposal to improve pedestrian safety in Arcadia Road, Galston. Council wants to get the balance right and would like your feedback.

The Proposal

Council is proposing to install a full-time marked pedestrian crossing at the existing "Pedestrian Refuge" in Arcadia Road. This upgrade will improve driver's awareness of the crossing and improve safety of pedestrians. **It is also proposed to relocate the bus stop closer to the new crossing. This is to improve access for school children attending Galston Public School.**

Key features of the proposal are:

- Installation of painted 'Zebra' marked crossing lines and pedestrian crossing signs.
- Relocation of the existing bus stop in Arcadia Road from No 28 to No 21 Arcadia Road.
- Construction of path from the new bus stop to connect with the new marked pedestrian crossing.

Next Steps

Council invites your comments on the proposal by **close of business Friday 23 February 2024**. The results of the consultation will be referred to the Hornsby Local Traffic Committee for consideration and recommendation to Council.
