Playground Upgrade

# Wollundry Park

## PARENTS & CAREGIVERS

Ample Seating & Shelters  
in high visibility areas

Accessible Footpaths  
to allow for easy access to car  
park & other facilities

Maximising Natural Shade  
from surrounding trees on play  
equipment & seating.

Playground Upgrade

# Wollundry Park

## LANDSCAPE & INTEGRATION

### Sandstone Retaining Wall

behind swing to absorb site levels and for added seating

### Rock Boulder Edging

to retain garden mulch and create 'creekbed' edge for 'river'

### Planting Around Bubbler

for water absorption and distinction from playground
