Dear Sir / Madam

Peats Ferry Road, Hornsby - Proposed Changes to Parking Restrictions

Council is writing to you regarding a proposal to change some of the parking restrictions in Peats Ferry Road, Hornsby, between Bridge Road and Jersey Lane. Council wants to get the balance right and would like your feedback.

Need for the proposal

As the population of Hornsby Shire increases, changes to parking management in local streets are required to ensure adequate levels of short-term parking is maintained for customers of local businesses and visitors to residential apartments.

Council undertook parking surveys of the area, which indicated that the existing unlimited parking along Peats Ferry Road is no longer efficient and that time restrictions to encourage parking turnover would benefit the wider community. These changes are aimed at providing further parking options for those visiting nearby units or businesses. The following parking restrictions are proposed along the eastern side of Peats Ferry Road:

1. Peats Ferry Road between Bridge Road and Jersey Lane - change existing unlimited parking to 1 hour parking 8.30am-6pm Mon-Fri, 8.30am-12.30pm Sat.
2. Peats Ferry Road south of Bridge Road - reduce the length of existing 'No Parking' by 10 metres. This will create additional 2 car spaces (1P).
3. Peats Ferry Road at intersection with Jersey Lane - change existing 'No Parking' to 'No Stopping'. This is to ensure that cars do not stop near the intersection.
(Stopping near intersection is prohibited by the road rules)

A plan showing the proposed changes is attached.

Next Steps

Council invites your comments on the proposal by close of business 28 April 2023. The results of the consultation will be referred to the Hornsby Local Traffic Committee for consideration and recommendation to Council.
