

24 July 2023

The Resident and Hornsby North Public School
Old Berowra Road
HORNSBY NSW 2077

Dear Sir / Madam

Public Consultation - Old Berowra Road, Hornsby - Proposed Installation of Raised Pedestrian Crossing

Council is writing to you about a proposal to improve pedestrian safety in Old Berowra Road, Hornsby. Council wants to get the balance right and would like your feedback.

The Proposal

Council is proposing to install a Raised Pedestrian Crossing near Hornsby North Public School on Old Berowra Road, Hornsby. The construction of Raised Pedestrian Crossing will provide a safe crossing location for pedestrians, especially school children and act as a speed reduction device within the school zone.

Key features of the proposal are:

- Provide a connection between the footpath on the eastern side of Old Berowra Road, with a new footpath constructed along the western side (School side) of Old Berowra Road between Link and Mittabah Roads.
- Provide a safe crossing location for pedestrians, in particular school children and local residents.
- Act as a speed reduction device within the school zone.
- Remove the existing 'No Parking' zone currently operating as a 'Kiss and Drop' zone on Old Berowra Road (parents will be encouraged to park and walk).
- Relocate existing bus stop from school entrance to outside 93 Old Berowra Road (approximately 30 metres).
- Installation of 'Give Way' sign, delineation and 'No Stopping' signs in Marlee Street at intersection with Old Berowra Road.

A plan of the Proposed Raised Pedestrian Crossing is attached.

Next Steps

Council invites your comments on the proposal by close of business Monday 7 August 2023. The results of the consultation will be referred to the Hornsby Local Traffic Committee for consideration and recommendation to Council.

Please mark your submission 'Proposed Raised Pedestrian Crossing - Old Berowra Road, Hornsby - Reference No F2005/01156' and address it to:

The General Manager
Hornsby Shire Council
